Dear Returning AC,

Greetings from the year-round staff of Camp Sonshine. Since Camp has ended, we remain truly thankful for all of your hard work and diligence this past summer. Over 2700 campers' lives were touched because of your contribution! We can't think of a better way to spend a summer. Think of the imprint that has been made throughout Maryland! None of this would have been possible without you. You proved again and again that our ACs are an important part of what we do here.

Because you have proved to be such an important asset to the Camp Sonshine Team, we would like to invite you back for the summer of 2010! Please fill out the enclosed returning staff application and mail it back to us in the enclosed envelope. Upon receiving your application, we will contact you to talk about positions you are interested in for next summer.

As an incentive for joining us for another summer, we will not only increase your salary, but also give you a \$50 bonus during the summer. We need to receive your application by December 31, 2009 in order for this bonus to apply.

The summer of 2010 will be here before we know it, and it would be a tremendous honor to have you back on the team. Our goal is to have our core team of ACs for 2010 assembled earlier than ever! Please help us in this endeavor by contacting us as soon as possible with your interest.

Thank you again for your contribution this summer, and let us know if we can do anything for you. We look forward to hearing from you and hope to see you in the summer of 2010!

Blessings,

Mike Watkins  
AC Program Manager
